I will try to get things done as much as possible today.

I am sorry to put you through all this ...

Well, it's not entirely because of you anyway.

Anyway, let's meet up at the council building tomorrow night.

I need to go. See you.

Yeah...

Shin Te-Min's name showed on her phone ...

Why did she hide that he called ?

He did show some interest in her ... But I thought Na-Young didn't like him...

Shin Te-Min ... !

What are you trying to do ?!

64.

I am not too late to go back to the class but ...

Why do I have to go through this...

No, I am going to stop Park Yuri from bullying her as much as possible.

I owe her some favors anyway ...

Mr. Shin ?

...

Na-Young ???

Yes, go on.

No... I don't have time today.

Is she talking to Cha Jin-Suk's boyfriend ?

I will call you back later, okay ?

Should I talk to her right now ?

I want to ask her what is really going on...
